GREEN SPACE / CURB BULBS

# Terry Avenue Next Steps:

- > **Seek clarification from Washington State Convention Center Addition regarding COVID-19 impacts to their funding, any updated information for timeline, and funding for this project.**
- > **Based on information gathered from the WSCCA, reconvene Terry Avenue stakeholders.**
- > **Possibly apply for another Department of Neighborhoods Grant and/or additional funding for a 60% design document.**

# 2021 UDPS Priorities

---

# Discussion:

New development proposals have slowed significantly down in 2021. With that said, what are some priorities that this committee should pivot towards? Why?

Possible examples,

- 9th and University pavement park upgrades
- Tree canopy
- Curb bulbs
- Public Art
